

Isaiah Pegues

SENIOR PRODUCT MANAGER

Profile

Results-driven product leader with over 8 years of experience in product lifecycle management and sustainability initiatives. I excel in leveraging data-driven decisions to enhance user engagement and drive product growth. At Wercflow, I scaled the platform to 20,000 users while implementing AI-driven automation to optimize workflows. My tenure at resolution involved leading the development of 25+ SaaS applications, serving over 2.5M users, and embedding sustainability practices into product strategies.
